habitats: Where do/should we encounter researchers?

needs: How do researchers differ from students?

concepts: What do we aim for?

competences: How to be good at this?

experiences: What works? And what does not?

motivation: How to keep going?

Stepping Out from the Comfort Zone

- researchers in and outside of the library
- researcher – librarian interactions
- librarians' grey area: dissertation, research project, scientific publication

IT IS A RIGHT THING TO DO ... BUT ALSO A BIT SCARY

**“The further you get away from yourself, the more challenging it is.
Not to be in your comfort zone is great fun.”**
